

We create so you can make!

Thanks for purchasing our designs.

- Included with your design, is a colour chart indicating the colours we used in the design.
- In the most part the colours are our ideas only. Please use whatever colours you have.
- In the instance that a design has shading that does require a certain colour/type of thread, we will bring that to your attention.
- All our designs are fully tested and sewn a number of times, using 100% cotton and a medium cutaway. Use of alternative weight fabrics and/or stabilisers may not guarantee a perfect sew-out. Please stitch a sample of each design using similar fabric and stabiliser, before you stitch direct to a garment.
- These designs are copyrighted and are licensed for your own personal use. You may sell the completed product on up to 30 items. You cannot sell or giveaway the digitised design.

Now that the legal part is completed, to ensure you think of us next time you are looking for a design, we want you to enjoy our designs and have trust in our product, so **please** feel free to contact me at heather@kreativekiwiembroidery.co.nz if you can suggest any improvements to our designs.

Please send thru photos of your completed items that we can put in our Gallery, for others to enjoy and get inspiration from.

Enjoy your designs and Happy Stitching!!
