

Thank you for purchasing our designs.

If this is your first purchase from us, please take a moment to read thru our notes.

## Included with your designs:

An image of each design, together with a color chart indicating the Madeira Rayon colors, and their placement in the design. *Redwork or single color designs we include a text file.*

## Colors

For the majority of our designs, the colors are our ideas only. Please use whatever colors you like. In the instance that a design has shading that does require a certain color/type of thread, we will bring that to your attention.

## Quality

All our designs are fully tested and sewn a number of times, using 100% cotton and a medium cutaway. Use of alternative weight fabrics and/or stabilisers may not guarantee a perfect sew-out. Please stitch a sample of each design using similar fabric and stabiliser, before you stitch direct to a garment. *If you have any issues at all with our designs, please let me know, so we can work together to achieve a great sewout.*
